The Official Construction and Agricultural Equipment Security and Registration Scheme

What are you waiting for? Your equipment to be stolen!

CESAR – The Right Track

- A CESAR registered machine is **4** times less likely to be stolen*
- A CESAR registered machine is **6** times more likely to be recovered if stolen**
- Over 200,000 machines are now registered and protected with the CESAR Scheme.
- Visible and covert markings - a real deterrent.
- No annual fees - invest just once in marking and registering your equipment for life.
- Potential for lower insurance premiums up to 20% and reduced excesses - CESAR is approved by all major insurers.
- Quick police access to the CESAR database - providing an instant trace on stolen equipment via Datatag's 24/7 secure call centre.
- Recognition by local and national government agencies - easier to get your equipment authorised to work on major construction sites.
- No recovery fees for stolen vehicles and plant.
The market leading anti theft system.
- The first industry-wide official scheme - backed by the Plant Theft Action Group.
- CESAR is supported by the Home Office and the National Police Chiefs' Council (NPCC formerly ACPO).

CESAR it or lose it!
